

M.Y. Eagle Ray Liveaboard – BOAT SPECIFICATIONS

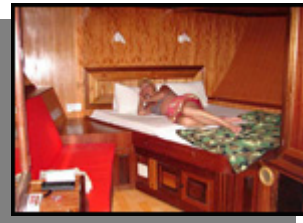

Eagle Ray is newly, solid wooden construction, excelling in Maldivian boat building tradition with a maximum of modern engineering.

Absolutely fantastic service!
Outstanding, Dive sites were excellent. Manik maximized our opportunities to see as much as possible. Great Trip! Everything I expected + More!!!!!!!!!!!!!!
Josh O.- USA 2007

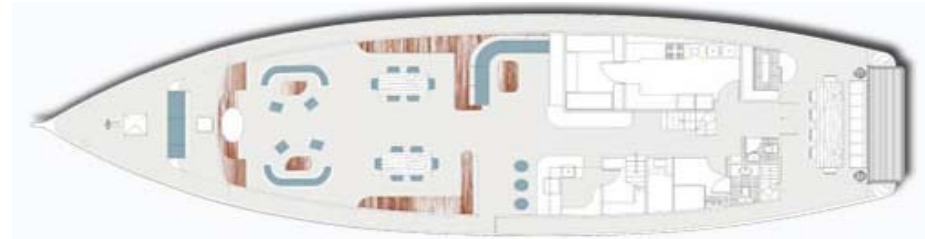

I particularly enjoyed dive briefings by Manik. Whole hearted service from all staff.
